## Premium Steel Carriage House Garage Doors

Northampton design with Madeira windows in Walnut with Canterbury handles and hinges

**Looks can be deceiving.** From a distance, you see wood. Up close, it's sturdy, durable, low-maintenance steel. The Amarr Classica collection of carriage house doors. Precision-shaped doors in fresh, clean, classic carriage house styles that go up and down like traditional garage doors. Three-section tall designs, instead of four, help deliver a more authentic carriage house look. Deception never looked so good.
